

Los Angeles Airport Terminal - Level 2

This map illustrates the layout of Level 2 at the Los Angeles Airport Terminal. The terminal building is represented by a large grey area. Gates are shown as blue rectangles, with WestJet at the bottom left and Virgin Atlantic at the bottom right. Amenities Services are highlighted in light blue, including Restroom Men and Restroom Women. Airport Services are indicated by grey icons: ATM, Elevator, Escalator, and AED. The map also shows the location of the AirTrain station and the Rental Car Center.
