

Los Angeles Airport Terminal B - Level 5

This map illustrates the layout of Level 5 in Los Angeles Airport Terminal B. The central feature is a large, irregularly shaped building footprint. To the left and right of this central building are long, horizontal walkways or bridges. Various icons are placed throughout the map to indicate the location of different services. A legend in the bottom left corner defines these icons: a blue circle with a plus sign for 'Amenities Services', a pink circle with a plus sign for 'Relax area', and a green circle with a plus sign for 'Dining'. Specific lounge areas are highlighted with colored polygons: a pink polygon for 'Sky Team Lounge', a light blue polygon for 'Qantas First Lounge', a light green polygon for 'oneWorld Business Lounge', and a light orange polygon for 'PF Changs'. Restroom locations are marked with blue circular icons containing a white toilet symbol. The map is oriented with the terminal building at the top and the walkways extending horizontally.
